LCD TELEVISION

PDI 19" Wide Screen LCD Modular Television

November, 2009 V3.0.7

The new PDI-P19LCDC Wide Screen LCD Television is specifically designed for the unique needs of the healthcare and long-term care markets. An optional integrated DVD module provides facilities a clean cost effective 2 in 1 unit eliminating the need for any added mounts or external cables. Features like universal pillow speaker function, clone programming, bed a/b function, multi-feature enable/disable and 2 year warranty provide a suite of cost effective solutions for all healthcare facilities upgrading to digital LCD televisions. TeleHealth Services continues to offer the widest and best supported line of healthcare LCD televisions in the industry.
