Patient Education Video Producers

TeleHealth Services works with a wide array of patient education and relaxation content programming partners including:

**AHRQ**

**Address:** 5600 Fishers Lane, 7th Floor, Rockville, MD 20857  
**Phone:** 301-427-1104

The Agency for Healthcare Research and Quality’s (AHRQ) mission is to produce evidence to make health care safer, higher quality, more accessible, equitable, and affordable, and to work within the U.S. Department of Health and Human Services and with other partners to make sure that the evidence is understood and used.

**Alliance for Aging Research**

**Address:** 1700 K Street NW, Suite 740, Washington, DC 20006  
**Phone:** 202-293-2856  
**Email:** info@agingresearch.org

The Alliance for Aging Research is the leading nonprofit organization dedicated to accelerating the pace of scientific discoveries and their application to vastly improve the universal human experience of aging and health. The Alliance was founded in 1986 in Washington, D.C., and has since become a valued advocacy organization and a respected influential voice with policymakers.

**American Heart Association**

**Address:** 7272 Greenville Avenue, Dallas, TX 75231  
**Phone:** 1-800-242-8721  
**Email:** review.personal.info@heart.org

The American Heart Association’s line of patient and consumer education brochures are for patients and groups at-risk to promote healthy living and managing and preventing disease. Topics include nutrition and weight management, smoking, cholesterol, high blood pressure, physical activity, controlling risk factors, cardiovascular conditions, treatments, procedures, and stroke. Patients will learn about common cardiovascular conditions and get advice for helping friends or family members who have recently experienced heart or stroke procedures.

Centers for Disease Control and Prevention
Address: 1600 Clifton Road, Atlanta, GA 30329
Phone: 800-232-4636

Whether diseases start at home or abroad, are chronic or acute, curable or preventable, human error or deliberate attack, CDC fights disease and supports communities and citizens to do the same. CDC increases the health security of our nation. As the nation’s health protection agency, CDC saves lives and protects people from health threats. To accomplish our mission, CDC conducts critical science and provides health information that protects our nation against expensive and dangerous health threats, and responds when these arise.

Emmi Solutions
Address: 300 West Adams Street, Suite 1200, Chicago, IL 60606
Phone: 312-236-3650
Email: info@emmisolutions.com

Emmi programs are a series of presentations that make complex medical information easy to understand. Using a soothing voice, animated graphics and easy-to-read text, Emmi programs take you through your upcoming procedure or help you manage your chronic condition.

Global Health Media
Address: 30 Common Road, Waitsfield, VT 05673
Phone: 802-496-7556
Email: globalhealthmediaproject@gmail.com

Global Health Media Project designs and develops videos that are tailored to the needs of health workers and populations in low-resource settings. Short engaging videos provide a simple and effective solution to help health workers and communities gain the knowledge and basic skills that can save people’s lives.

Healing Healthcare Systems
Address: 6121 Lakeside Drive, Suite 200, Reno, NV 89511
Phone: 775-827-0300
Email: info@healinghealth.com

By bringing music and nature to the bedside, Healing HealthCare Systems has helped transform patient care with the C.A.R.E.® Channel’s relaxation programming for patient television. The C.A.R.E.® Channel’s stunning nature video and original instrumental music provide a therapeutic tool for use at the patient bedside, waiting areas, and public spaces in acute care hospitals, residential care facilities, hospice/palliative care units, cancer centers, children’s hospitals, and rehabilitation centers. C.A.R.E.® with Guided Imagery uses a voice over to stimulate patients’ active imagination and bring about responses in their bodies that can accelerate the healing process. Guided imagery has been shown to reduce the amount of pain medication required, thus reducing side effects and decreasing recovery time.

**Health Nuts Media**
Address: 1840 Roseland Avenue W, Falcon Heights, MN 55113
Phone: 406-556-5877
Email: movies@healthyroadsmedia.org

Healthy Nuts Media is healthcare’s leading producer of health-related animation. Founded in 2010, Health Nuts Media has developed the secret sauce to bring the wonderful world of entertainment to the complicated realm of healthcare. Combining the complex with the fun to develop a truly unique offering: bringing the power of story to the medical domain, with compelling and impactful results.

**Healthy Roads Media**
Address: 2601 North Bogus Basin Road, Boise, ID 83702
Phone: 1-800-706-9646

Healthy Roads Media develops and disseminates resources to provide health information for diverse populations in a variety of settings. The Healthy Roads Media Store was developed to help provide low cost multilingual video resources that can be used in multiple settings and platforms.

**InJoy Health Education**
Address: 7107 La Vista Place, Longmont, CO 80503
Phone: 800-326-2082 ext. 2

InJoy Birth & Parenting Videos provides a source where educators and health professionals come to find the highest quality, up-to-date programs addressing childbirth, prenatal care, labor & delivery, teen pregnancy & prevention, breastfeeding, new baby care, postpartum, parenting, child abuse prevention, nutrition & safety, and staff training.
Patient Education Video Producers

**Joint Commission Resources (JCR)**
**Address:** 1515 West 22nd Street, Suite 1300W, Oak Brook, IL 60523  
**Phone:** 630-268-7400  
**Email:** info@jcrinc.com

Joint Commission Resources (JCR) works with leaders and front-line employees throughout the U.S. and around the world to help them achieve accreditation and certification readiness and improve patient safety and quality of care through evidence-based solutions.

**Krames/Staywell**
**Address:** 800 Township Line Road, Yardley, PA 19067  
**Phone:** 800-333-3032  
**Email:** info@kramesstaywell.com

Krames StayWell was established in 2011 when Krames Patient Education and StayWell Custom Communications united to become the largest provider of interactive, print and mobile patient education solutions, consumer health information, and population health management communications in the country.

**MedCalm**
**Address:** 280 Hamilton Road, Chappaqua, NY 10514  
**Phone:** 914-238-8318  
**Email:** info@medcalm.com

Medcalm offers a wide scope of exclusive, targeted wellness content. Its programs serve specific patient populations—including adult, pediatric and geriatric—and specific medical issues. Programs by best-selling doctors, psychologists, sound healers and integrative medical practitioners help prepare patients for surgery. Afterward, Medcalm’s programs help lessen their pain and support their recovery. Medcalm’s library of original programs, created in collaboration with authentic healing professionals, employ breathing, meditation and visualization techniques to guide patients to a deep sense of inner tranquility.

**MedSelfEd, Inc. Publishing PreOp® & PostCare™**
**Phone:** 617-454-4779  
**Email:** preop.com@gmail.com

MedSelfEd (MSE) understands that healthcare organizations and medical professionals want to make high-quality patient education materials available to their patients in the pre-operative and post-operative continuum of care. Titles are available for annual licensure or as a package. MSE also offers customization of content for organizations seeking to co-brand their presentations. MSE’s PreOp Surgery Centers & PostCare Recovery Series videos are an information resource designed to help patients understand the nature of a medical condition, pre- and post-operatively.
Patient Education Video Producers

**Milner-Fenwick (a division of The Wellness Network)**

Videos filmed in HD and 4K are accompanied by naturally occurring background sounds resulting in spectacular images that engage, relax and entertain.
Patient Education Video Producers

X-Plain Patient Education
Address: 2000 James Street, Suite 219, Coralville, IA 52241
Phone: 319-351-5220

X-Plain’s library offers thousands of evidence-based health education topics in several languages. Each health topic is published in different educational formats (videos, tutorials, illustrated handouts, etc.) that are available for smartphones, tablets, PCs, and hospital bedside patient stations. X-Plain tutorials use multimedia to simplify medical concepts and ask questions to verify that the patient understands the information.

TeleHealth Services provides this list as a courtesy to hospitals seeking video content for in-hospital broadcast. This listing does not imply endorsement of any of the content providers or organizations that appear in this document. This is not intended to be a comprehensive list of patient education video content available. Hospitals should review all patient education video content to ensure it is current and aligns with practice standards at that facility where the content will be broadcast.
